

## Women's Community Center of Central Texas

The Women's Community Center of Central Texas invites you to sponsor the third annual Women's Empowerment Conference (WE Con) on April 1-2, 2016. WE Con is the WCC signature event for women, girls, and those from all over Central Texas to grow, connect, and develop new skills. We had over 200 participants in 2015 and are expecting 300+ this year!

*"I loved being surrounded by awesome, strong women. Everything felt so inclusive and welcoming."*

*"As a whole, [WE Con] made me both re-invested in my community and resolved to get more active in bridging gaps in that community."*

Sponsorship will go toward complimentary childcare, Spanish interpretation, and lunch, and most importantly, make it possible for participants to attend at low or no cost. You can either directly sponsor these services or place an advertisement in the 2016 program (form below).

Founded in 2013, the Women's Community Center of Central Texas is a new 501(c)(3) non-profit organization that serves as a hub where women, girls, and allies from all walks of life come together to support each other and find empowerment. If you would like to learn more about the WCC, visit the website at [www.womenctx.org/](http://www.womenctx.org/)

We look forward to building partnerships with individuals and organizations. Together we can grow a better community. Thank you for your time and consideration.

Best,  
Danea Johnson
